

Q&A

What is uChoose Rewards®?

A rewards program where you earn points every time you use your First Federal Savings Bank Debit Mastercard® and sign for your purchases. You can also earn additional points for shopping at participating retailers with your card. Redeem your points for anything of your choice from a vast online rewards catalog.

How do I earn points?

You earn points every time you sign for your purchases and additional points for shopping at participating retailers, whether it's in-store at national or local retailers or online through www.uchooserewards.com. When you're shopping in-store, select credit and use your card for your purchases. You earn 1 point/\$2 when you sign, and 1 point/\$4 when using your PIN.

Where can I earn points?

Everywhere your card is accepted, and you can earn additional points by shopping at participating retailers. View a complete list of participating retailers at www.uchooserewards.com.

What can I redeem my points for?

It's your choice! You can choose from millions of options, whether it's products, travel experiences, activities, event tickets, merchant gift cards, or more!

We keep track of all the points you earn and will help you find just what you're looking for when you're ready to redeem. We even have a Wish List that will help you track when you've earned enough to redeem a specific item.

Can I share points with other accounts?

Yes, all cards within an account automatically earn points together. In addition, if you have multiple debit accounts with First Federal Savings Bank you can link them together to earn rewards faster. Just go to the Profile page at www.uchooserewards.com and click on the **Learn how** link for easy instructions.

How much does it cost to participate?

There's no cost. Membership in UChoose Rewards® is absolutely free for First Federal Savings Bank cardholders, so start shopping and earning today.
