## I. Introduction

This Electronic Disclosure and Electronic Statement Agreement and Authorization explains the terms and conditions governing the Electronic Statements service offered through My eBanker at First Federal Savings Bank. Before you register for the Electronic Statements service, you must first consent to receive certain notices and disclosures for your deposit accounts electronically rather than in paper form. The following information constitutes an additional amendment to the My eBanker Online Access Agreement concerning the delivery of disclosures, notices, and statements for deposit accounts. Acceptance of First Federal Savings electronic statement service is also subject to terms and conditions of the My eBanker service through which they are accessed. “We”, “us”, “our”, and “Bank” refer to First Federal Savings Bank. “You” and “your” refers to each signer on the account.

## II. Purpose

The purpose of this agreement is to obtain consent to receive periodic account statements relating to your deposit accounts as well as to receive certain disclosures relating to your deposit accounts from First Federal Savings Bank in electronic form, rather than in paper form.

If you consent to these electronic deliveries of statements and disclosures, First Federal Savings Bank will make electronic bank statements available to you electronically through First Federal Savings Bank My eBanker.

## III. Acceptance

By accepting, you authorize First Federal Savings Bank to electronically deliver your account statements and important disclosures and notices about your deposit accounts, including those that we are required to provide you under applicable federal and state laws where electronic delivery is now available. This may include, but is not limited to the following:

- Your periodic statements
- Notices regarding changes to your account
- Amendments to any agreements and/or disclosures governing your accounts

You are also agreeing to discontinue the receipt of a monthly paper statement for all of your checking, savings, and money market accounts listed in your My eBanker access, now and in the future.

After withdrawing e-statement consent, if in the future you wish to re-consent, you will be required to do so electronically.
